
ANNOUNCEMENT

Based on the successful implementation of the pilot phase of the scholarship scheme under the partnership between the Rwanda TVET Board and the German Government through KFW Development Bank,

Rwanda TVET Board is pleased to announce that the number of schools implementing the TVET scholarship program has increased from 14 to 50 Technical Secondary Schools. This will increase the number of students by an additional 1500 to benefit from the scholarship in the next academic year (2024/2025).

The project will offer a full scholarship package to the best-performing students from low-income households successfully completing the O'Level and enrolled in targeted Technical Secondary Schools in Level 3 in the next academic year 2024/2025. The project will provide scholarships to access technical education in the following training programmes:

- Agriculture
- Animal Health
- Food processing
- Forestry
- Water and Irrigation
- Wood Technology,
- Leather Technology
- Manufacturing Technology
