Note:

- This List is produced based on the TVET Quality Audit 2021/2022. Schools which were visited after the TVET Quality Audit as a reaction to their request for accreditation of new trades will have to consider the feedback provided by the accreditation reports and response letters.
- TVET Schools with the accredited existing trades in Level (4) and Level (5) which are under phasing out process are not allowed to enrol students in Level (3) unless there is no change as per the Ministerial Order N° 002/MINEDUC/2021 of 20/10/2021 establishing curriculum in general, professional and technical and vocational basic education.
